Education

- 2013 (June) PhD in Economics. Department of Economics at University of Gothenburg, Sweden.
Title of the thesis dissertation: "Essays on the Economics of Air Quality Control".
- 2003 M.A. in Economics, Universidad de Los Andes. Bogota, Colombia.
- 2003 M.A. in Environmental and Natural Resource Economics, Universidad de Los Andes/University of Maryland. Bogota, Colombia.
- 1998 B.S. in Forest Engineering, Universidad del Tolima. Ibagué, Colombia.

Interest Fields

Environmental policy instruments with particular application to externalities such as climate change and air pollution. Impact evaluation.

Languages

Spanish (native), English (fluent), Swedish (beginner).

Professional Experience

Research:

- 2015-present Director of the Research Group on Environmental, Natural Resource and Applied Economic Studies (REES) – Environment for Development Initiative (EfD).
<https://efdinitiative.org/colombia>
<http://scholar.google.com/citations?user=sjJol0oAAAAJ&hl=es>
<https://orcid.org/0000-0001-9474-0023>

Academia:

- 2019-present Associate Professor – Department of Economics at Universidad de Los Andes, Bogota, Colombia.
Courses taught: Intermediate Econometrics, Quantitative Methods for Economists, The Economics of Air Pollution Control, and some sessions in the field of climate change for the courses of Environmental and Natural Resource Economics.
- 2013-2018 Assistant Professor – Department of Economics at Universidad de Los Andes, Bogota, Colombia.
Courses taught: Introductory Econometrics, Intermediate Econometrics, Advanced Econometrics, Environmental Economics, and Impact Evaluation.
- 2005-2008 Instructor Professor – Department of Economics at the Universidad de Los Andes, Bogota, Colombia.

Courses taught: Introductory Econometrics, Intermediate Econometrics, Probability and Statistics, Math Review for Master Program in Economics, Quantitative Methods, and Module of Economics in the course of Constitution and Democracy.

2003-2004	Instructor Professor – Department of Economics at the Universidad de Los Andes, Bogota, Colombia. Courses taught: Intermediate Econometrics, Workshop of Econometrics I, Workshop of Advanced Econometrics for the Master Program in Environmental and Natural Resource Economics, Math Review for Master Program in Economics and Environmental and Natural Resource Economics, and Math Review for Specialization Program in Economics.
2001-2002	Teaching Assistant -- Department of Economics at the Universidad de Los Andes, Bogota, Colombia. Courses assisted: Advanced Econometrics, Agricultural Economics, Economic Development and Environment.

In the Public Sector:

2004 - 2005	Advisor – Office of Urban Development and Environmental Policy, Departamento Nacional de Planeacion, Bogota, Colombia.
2003	Advisor – Section of Environmental Studies, Office of Environmental Policy, Departamento Nacional de Planeacion, Bogota, Colombia.
1999	University Professional – Section of Internal Control, Corporacion Autonoma Regional del Cauca, Popayan, Colombia.
1998	University Professional – Operative Section - Unidad Operativa Regional Costa Pacifica - Corporacion Autonoma Regional del Cauca, Popayan, Colombia.

In Media

In the recent years I have participated in the debate about the importance of studying air quality in cities and the need for effective policies to cut emissions. Some local media (El Tiempo, Semana, LaRepública, Canal1, City TV, among others) cite my research results.

Editorial Service

2005 – 2007 Editorial Coordinator of the Journal *Desarrollo y Sociedad*. ISSN: 0120 – 3584.

Other Professional Activities

- 2014 – present Reviewer for the following journals: Economic Inquiry, Resource and Energy Economics, Environmental and Resource Economics, Journal of Environmental Economics and Management, Agricultural Economics, Environment and Development Economics, Transportation Research Part A: Policy and Practice, Transportation Research Part D: Transport and Environment, Regional Environmental Change, The Energy Journal, International Journal of Sustainable Transportation, Case Studies on Transport Policy, Nature Climate Change, Sustainable Cities and Society, Marine Policy, Latin American Economic Review, Latin American Research Review, and Desarrollo y Sociedad.
- 2021 – present Co-organizer of the LAERE-EfD Seminar.
- 2020 – present Member of the Group of External Experts on Air Quality to support the Bogotá's Secretary of Environment.
- 2013 – present Reviewer of some proposals or papers submitted to the Environment for Development Initiative (EfD).
- 2019 Local coordinator and organizer of the 13th Annual Meeting of EfD (Bogotá Nov. 21-Nov. 25). It is the largest annual conference in the Global South on the application of environmental economics to development.
- 2008 – present Reviewer of some thesis for the Master Program in Economics. Universidad de Los Andes, Bogota, Colombia.
- 2005 – 2007 Assistant of the Economic Development Research Center Seminar. Universidad de Los Andes, Bogota, Colombia.
